

2008 Post Reunion Cruise—San Pedro, CA

4 Night Baja Mexico Cruise - Aug 25 - Aug 29

Dear Fellow Polar Bear:

Next year when you come to San Pedro for the 2008 Reunion, don't let the fun end. San Pedro is the premier port for cruise ships on the entire West Coast, so we have arranged an optional four day trip on the Royal Caribbean's "Monarch of the Sea". You will be able to spend Sunday night in the same hotel you used for the reunion, and on Monday board the ship to continue our annual get together at sea.

Onboard there will be special events just for our regimental veterans, incredible food (breakfast, lunch, dinner, and midnight buffet are all included), dancing, gambling, shows, and on and on.

During the cruise we will visit Catalina Island, San Diego, and Ensenada, Mexico. There will be tours and shore excursions available (for an extra charge), or you can just kick back and relax.

We hope you will take advantage of this unique opportunity to make this your best reunion ever. If you want to join us you need to get your \$100 per person, fully refundable deposit to us by as soon as possible so we may retain our group booking. You may call in your credit card to Cruise Holidays of Mission Viejo. They will call in your deposit to Royal Caribbean. Cruise Holidays of Mission Viejo's California Seller of Travel number is 2084635-40. Their telephone number is 888-203-3012.

If you have any questions you may contact Carrie at Cruise Holidays of Mission Viejo toll free at 888-203-3012 or visit the website at www.icruisevacation.com.
